

LONG-LIF PRAYER SONG FOR CHOYING KHANDRO

Om Ah Hum

Nurtured by blessings, pure and divine,
From Khalkha Jetsun Dampa's line,
Jampel Namdrol, radiant flame,
Bearer of wisdom, Dakini's name.

Whispered lineage, deep and clear,
Through time unbroken, ever near,
Your Vajra mind, so vast, so bright,
Shines as the guru's guiding light.

Peerless guide, O Chöying Khandro,
Dakini's heart in human glow,
May your life be long and strong,
Your teachings echo, pure and strong.

May Dakini's Whisper spread and rise,
To heal the earth, to clear the skies,
May every heart be freed from pain—
Your voice, compassion's soft refrain.
